Reasons to Train the Trainer

The best option for training employees is occasionally engaging the services of a third party organization in order to carry out the training and certification. There are however numerous good reasons to send some of your personnel to Train the Trainer programs. Your business can benefit by maximizing your investment. Teaching an existing staff person to train various staff is cheaper as opposed to hiring somebody new. Companies must avoid expecting people to take on trainer duties on top of their current duties. The designated trainer should be relieved of some of their duties in order to prevent trainer exhaustion.

Developing training resources internally helps to empower your company, encourage staff to be self-reliant and increase its resources. With an in-house trainer, other staff members may feel more comfortable learning new skills than they would with someone new. By internally training, new employees could be trained quickly and brought up to speed on the machinery in the event of staff turnover.
