

## Crane Training Schools Coquitlam

Crane Training Schools Coquitlam - Our different Mobile Crane Operation programs are intended for skilled operators who need re-certification or certification, and for inexperienced individuals who are seeking their very first work as an operator of a crane. Business demand for certified crane operators is high throughout the nation. Positions for crane operators are in demand because of their high pay. Crane operators are among the highest paid of whichever heavy machine operator.

Our Crane Training Schools feature instruction and training for different mobile cranes. Course content includes Crane Set-up, Wire Rope, Lift Planning, Load Dynamics, Rigging, Signaling and Load Charts.

The program is most suitable for crane riggers, operators and their supervisors. The materials incorporated in the course would consist of a guidebook and a lot of useful handouts. The illustrated safety guidebook features one hundred to two hundred fifty pages, that depends on the course, of essential and useful material. Course materials consist of load exercises and load charts for the crane with which the trainee is working.

Hands-On Safety Training would take up more than half of the course curriculum. The practical training section is the most helpful method to improving and developing personal skill levels. Just skilled journeyman crane instructors are chosen to teach the courses. Our instructors have numerous years of experience in the business.

Optional testing mechanisms are provided for all of our courses. Students will normally write tests both before and after training. A test for skills is normally administered for programs that comprise H.O.S.T. Trainees will be graded and tested.

Certification Training Programs: Fixed and Swing Cab Mobile Hydraulic Cranes; Lattice Boom/Crawler Cranes; Articulated Boom/Knuckleboom Cranes; Rigging / Signalperson Certification and Training; Testing & Certification; and In-The-Seat Training.
