

Genie Forklift

Genie is a globally acclaimed corporation that enjoys the spirit of alliance with their extensive network of associated clients. Genie Industries prides itself on the intention of bringing materials and people higher and extending further beyond the goods they produce. Genie Industries strives to help clientele erect their operations no matter how large or small the scale of undertaking may be.

The launch of the Genie Hoist in 1996, a pneumatic, transportable materials lift initiated the opening of Genie Industries. A series of aerial work platforms and other materials lift trucks followed to meet consumer demand. These progressive products secured international recognition and established modern product design.

Presently, Genie Industries is a subsidiary of the Terex Corporation. Among their highest priorities are to fabricate and maintain foremost quality production and uncompromising level of support and service. With clients from Dubai to Dallas and Hong Kong to Helsinki requesting the unique blue coloured material lift trucks on the jobsite, the company is firmly planted in their exceptional customer values and service. Acknowledging that their consumers are their greatest inspiration, the team at Genie Industries are personally committed to providing expertise and maintaining customer rapport.

The conscientious team is persistently committed to ascertain the most green and cost-effective, environmentally accountable methods to develop the products the consumers want. The company's lean manufacturing practices help reduce waste while delivering the highest quality product possible in the shortest timeframe at the least expensive cost to the consumer. The staff at Genie Industries is proud to serve the industry and this is mirrored in every product they manufacture. Always inviting customer input helps them to produce and develop modern new products that are effortless to service and handle, deliver optimum value-for-cost and meet international standards. Thriving on consumer criticism helps Genie Industries to repetitively evolve and meet the consumers' needs.

Genie service professionals understand the importance of uptime. They are readily accessible to satisfy queries and offer solutions. Their extensive components network will promptly ship components to ensure their customers' equipment are operating effectively. Each product comes backed by a competitive and reliable warranty.

Genie Industries takes great satisfaction in its customer service and builds and serves its goods to ensure effectiveness and maximum uptime on the job. Offering on-going education opportunities, to marketing support to adaptable financing options, Genie Industries offers their customers the resources to get the most out of their purchase.
