

Nissan Forklift

Nissan Motor Co. Ltd prides itself on achieving complete customer fulfillment when enjoying one of their car, truck or forklift products. They are committed to offering high value and meticulous quality values to their clients. Incorporating a rich heritage combined with resilient processing principals, Nissan lift trucks provide some of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide requirements of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to delivering customer support, the business has four separate manufacturing facilities that permit them to constantly adapt to their clients continually evolving desires by offering a range of innovative ideas and designs.

The Nissan Lift truck North and South American foundation is situated in Marengo, Illinois. A loyal team of 350 personnel is committed to the cooperation, design and fabrication of their products. Operating under the ISO-9001 and ISO-14001 certifications, enables every sector of the Nissan Forklift Corporation to maintain environmental responsibility by using systems that minimize the worldwide effect of their products and processes. These high standards remind consumers that Nissan operates under the quality seal that their customers demand while being an environmentally responsive corporation.

Nissan is assured that they will be able to address any buyer queries or considerations. Always accessible through their website or by calling 800.871.LIFT, reaching one of their community authorized sellers or even traveling to their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
